Three Hurt in Two-Car Collision West of Lake Shangri-La on Tuesday

Taxi-Cab Struck, Injuring Both Driver and His Passenger

When the Buick taxi-cab of Fred Pierce, Antioch, and a 1946 Ford sedan of Miss Gertrude Johnson of near Lake Shangri-La collided at the intersection of the Voltz and Shangri-La roads Tuesday evening three persons were hurt, none believed seriously.

Miss Grace Shaw, of Chicago, passenger in the taxi-cab, was taken by the Antioch Rescue squad to St. Therese hospital in Waukegan where it was said she had a chest injury, the extent of which could only be told by an x-ray picture.

Miss Johnson suffered mainly from sprains and bruises to the left ankle and shoulder and from shock, according to her physician, Dr. R. D. Williams.

Pierce was badly bruised and his back skinned.

Pierce said he was going north on the lake road and as he crossed Voltz road Miss Johnson's car struck him. His cab landed in a field and the Johnson car in a ditch. He said his cab is beyond repairs and the Johnson car will need about \$500 worth of repairs.

Pierce was taking Miss Shaw from the Brenner farm where she had served as maid, to a train on her way home to Chicago.

That the three escaped without more serious injury is considered fortunate in view of the damage to the cars.

Daly Turns Over Polio Office to Mayor Dromey

Joseph P. Daly of Waukegan, Ill., completed nine years of work as chairman of the Lake County Chapter of the National Foundation for Infantile Paralysis turned over the direction of this work to Mayor John P. Dromey of North Chicago, Illinois.

Daly said, "North Chicago under Mayor Dromey's leadership did a splendid job for the Lake County Chapter during the 1947 March of Dimes campaign and the Chapter will continue in its fine work of assistance to polio victims in Lake County." Daly also complimented the citizens of Lake County for their co-operative and willing spirits in assisting the National Foundation for Infantile Paralysis. All future correspondence should be addressed to Chairman John Dromey, c/o City Hall, 1815 Sheridan Rd., North Chicago, Ill.

Bowling Season Starts with 300 Keglers and Six Leagues Competing

Three hundred bowlers comprising 60 teams opened a season of bowling this week at the Recreation lanes in six leagues.

The Tavern league began its first round Monday night with 12 teams entered. On Tuesday night the Ladies Friendly league of 12 teams started its matches and on Wednesday night the Junior Business Men's league of 12 teams started spilling 'em.

Tonight is the night set aside for the Business Men's league and the 12 teams will keep the alleys busy. Tomorrow night the Ladies Major league and the Men's Major league will split the time with six teams apiece. Saturday and Sunday nights will be open bowling.

The major leagues will have five-men teams this year.

Bowling competition will last through 33 weeks.

Miss Cornelia Roberts Will Address P. T. A. on "Turkey" Monday Night

The Antioch Grade school Parent-Teacher association will have its opening meeting Monday at 8 p. m. The speaker will be Miss Cornelia Roberts who taught during the last several years in a girls' school in Turkey. Her subject will be "Turkey."

Refreshments will be served by the eighth grade mothers.

The P. T. A. committee met recently and outlined a program for the entire year.

Rosing Says Closing of Dump Was State's Order

William Rosing, Antioch township health officer, said that problems concerning dumps will be taken up at the county board meeting Tuesday.

He said that he wanted it clearly understood that his order in closing the dump southeast of the village last week was at the orders of the state health department.

Rosing said the task of covering the exposed garbage at the closed dump is the owner's problem and he presumes the owner has a contract with the village for such action. The garbage is still exposed and draws rats.

Rosing said he hadn't yet investigated the report that someone had removed his sign prohibiting dumping.

Civic League to Start County-wide Campaign for Additional Members

Antioch Men on the Board of Directors and Two Committees

The newly chartered Lake County Civic league, an organization of taxpayers with officers, directors and committee-members from every township and incorporated community in Lake county, will launch a county-wide membership campaign shortly, under the direction of Y. W. Gumz, of Waukegan, a retired navy commander who is chairman of the membership committee.

Board members and directors from each community in the county are designated as membership chairmen for their home areas and the goal is to sign up every taxpayer in the county. The annual fee for a regular voting member is \$2, and those who care to pay any additional amount may become sustaining members with all of the privileges of the regular members.

Part of State Groups
The Lake County Civic league is affiliated with the Taxpayers Federation off Illinois which is one of the thirty-three state taxpayers groups operating as the National Tax Foundation at Washington, D. C.

The constitution and charter of the Lake county organization sets up a seven-point purpose making it strictly non-political and non-partisan, dedicated to the effort to call public attention to the ever-increasing tax burden and to assist public officials and other organizations fostering economy and efficiency in all governmental units.

Two From Antioch

The board of directors is composed of:

Charles Kerry, Grayslake; George F. Connell, Benton; Edmund Vos, Antioch; A. D. Church, Barrington; A. J. Crawford, Lake Zurich; Savern Hertel, Avon; William Redman, Fox Lake; R. J. Dwyer, Mundelein.

Marion T. Martin, Lake Forest; W. A. Chandler, Gurnee; James N. Finn, Waukegan; William F. O'Meara, Waukegan; Lloyd Fisher, Volo; Harry Wing, Deerfield; H. O. McLain, Highland Park; William J. Bicket, Zion; Donald P. Welles, Lake Forest; Walter Hills, Antioch; William Marks, Lake Villa; John Stiehr, Newport; George Holst, Prairie View; George Crawford, Waukegan; and L. W. Gumz, Waukegan.

C. K. Anderson is on the finance committee and Edmund Vos is on the program committee. From Lake Villa William Marks is on the membership committee and William Weber on the legislative committee.

Women's Club Thanked For Services to Patients At Downey V. A. Hospital

Mrs. A. H. Kaufman, former president of the Antioch Women's club received a letter from S. M. Amy, director of recreation and entertainment in special services for the Veterans Administration at Downey, thanking the club for the parties it gave the hospital patients and inviting it to continue this activity during the fall and winter.

"Please be assured that your group is doing splendid work and that we are eager to have you continue," wrote Amy.

In accordance with the request of the club Monday, Sept. 22 has been assigned it for the next party.

Mail Messenger Sought

Sealed proposals for carrying of mail between the post office at Benet Lake, Wis., and the Soo railroad will be received by the postmaster at Benet Lake, Wis., until Sept. 18, according to an announcement of the second assistant postmaster general.

Antioch High to Open Football Season Here Tomorrow Night at 8

Many Injuries Beset Sequoits at Outset of Game With Zion

Antioch Township High school will open its football season here tomorrow evening against Zion.

How a banged-up team will be able to play bang-up ball will be seen when the Sequoits with their many injuries take the field at 8 p. m. under the lights.

The pavement-like field has been the cause of many sprains and bruises among Coach Kruzan's men. Bratrud received shoulder separation Monday night and will be out of the lineup altogether for some time. This leaves one position without a substitute.

The lineup for Antioch at the opener will be Crawford, right end; Kullgowski, right tackle; January, right guard; Reidel, center; Simon or Morris, left guard; Wolf, left tackle; Kanla, left end; Kraft, quarterback; Pete Poulos, fullback; Mattsen, left half; and Tom Poules, right half.

The school band will be present to entertain the crowd between halves. Not all of the uniforms have arrived and it is not known whether the band will be in uniform or not.

Coaches met at Lake Zurich last evening and mapped out a schedule for the freshmen-sophomore teams. They will play on Tuesday nights.

Newcastle Disease on Increase in Illinois Flocks, No Known Cure

Owners of almost 1,300 prize hens and pullets entered in Pennsylvania's annual egg-laying contest quickly gave up all hope of winning when they discovered that their birds had come down with Newcastle disease.

It is spreading fast in Illinois, as it is in many other states. Egg production drops to zero in many cases. There is no known cure, according to the Illinois State Veterinary Medical Association, which urges isolation to prevent spread to other flocks.

Diagnosis is difficult but veterinarians throughout the state are cooperating with the University of Illinois diagnostic laboratory for prompt detection of the malady. The Division of Livestock Industry has five district veterinarians who are prepared to cooperate in the early diagnosis and control of this disease.

They are Drs. Roy A. Thompson, Clinton; T. E. Palmer, Casey; W. F. LeCroy, Fairfield; L. B. Woods, Roodhouse, and Rex Van Sickle, Orion. Head of the Division of Livestock Industry is Dr. C. E. Fidler, president of the Illinois veterinarians.

Filing Time for Clerk Examinations Extended by Civil Service Group

Because too few applications for the substitute clerk examination in Antioch's postoffice have been received, the Civil Service commission has extended the time of filing on an open continuous basis. The deadline has been set for Sept. 24.

It is the desire of the commission that other applications be received so that a larger list of eligibles be established. Postmaster Roy I. Kufalk said. In that way frequent examinations will be largely eliminated.

There are three classifications to be filled: two regular clerks and one substitute. Classified clerks receive paid vacations and sick leave. The regular clerks will also be appointed from the eligible list established by this examination.

Edward Bluhm, 13, Antioch School Pupil, Dies at Highland Park

Edward (Eddie) Bluhm, aged 13 years, of Lake Villa township, died at 9:30 a. m. Friday, Sept. 5, at the Highland Park hospital after an illness of two months from rheumatic fever.

Edward was born Dec. 31, 1933 in Chicago the son of E. H. and Grace Bluhm. His father died Sept. 11, 1942. Surviving are the mother, two sisters, Mrs. Elva Evans, of Lake Villa, and Mrs. Cleo White of Mundelein. A stepbrother, James McBride, lives Zanesville, O.

The youth was a member of the Antioch Boy Scout troop. He was graduated from Antioch grade school last Spring and would have been a freshman in the Antioch High school this year. He was a nice lovable boy and his many friends in Antioch were all saddened to hear of his death.

The body rested at the Strang funeral home until Monday and the services were held at 10 a. m. that day at St. Peter's church with the Rev. Fr. Flaherty officiating. Burial was in Mt. Carmel.

Order of Builders Will Present Work to Masons Here Tomorrow Evening

Sixty or Seventy Boys Will Come From Cook and Lake Counties

Between 60 and 70 boys, members of the Order of Builders for Boys will come from Cook and Lake county chapters to Antioch tomorrow (Friday) evening to exemplify the work of their order before the Masonic lodge.

All members of Sequoit lodge A. F. and A. M. are urged by the officers to attend and witness this work because of plans by the lodge to sponsor this or a similar boys organization in Antioch.

Members of the Eastern Star and mothers of boys will be privileged to witness the last of the service known as the rose ceremony.

The state deputy grand master from Chicago will be present to answer questions.

Some of the boys will be coming from the southern edge of Chicago to make up the degree team. There is a chapter of this order in Grayslake.

Go To Community Lodge

Officers and members of Sequoit lodge have chartered a bus in going to Chicago to give the third degree work to candidates to Community lodge at 3900 N. Damen st.

Here's a Way to Get Rid of Those Unwanted Gifts

The Antioch News reporter, George Rinehart, while preparing to drive from Waukegan to Antioch Sunday for a picnic dinner with his family and father-in-law, forgot that he had not put the lunch basket in the car trunk as the result heard a crunching noise as he backed the car out and felt that sickening feeling.

Instead of tears Mrs. Rinehart broke into laughter when she viewed the contents of the picnic basket. Not one dish of food was damaged but the set of plates which she had been hoping to get rid of, was smashed to bits.

The picnic was a success.

Rescue Squad Gives Aid To Boys Injured in Car Accident on Route 173

The Antioch Rescue squad gave aid to three Waukegan youths who were injured when their aged sedan was demolished by a Greyhound bus at U. S. highway 41 and Rte. 173 Sunday morning.

The three were Harry Heltsley, 18, who recently came from Marion, Ill., to work for the Johns-Manville Corp.; Leonard Walters, 26, formerly of Walland, Tenn.; and Charles Grimes, formerly of Metropolis, Ill., other Johns-Manville workers.

Heltsley, the driver, cut in front of the bus in an attempt to turn off one route to another. The other two boys were in the back seat asleep. They were taken to Victory Memorial hospital and although their injuries are serious, they are expected to recover.

Veterinarians Warn of Live Stock Poisoning From Certain Plants

Livestock is in great danger of plant poisoning, the Illinois State Veterinary Medical Association warned today. "Illinois' dry, hot summer has caused short, brown pasturage and when pasturage is scant, animals are tempted to eat anything green," the Association said. As an example, it named the leaves of the wild black berry.

"Ordinarily, livestock do not eat cherry leaves," the Association said. "The only sure precaution is to cut out all the trees before the stock get a chance at them, but every bit must be removed. Cows, especially, like the wilted leaves and will eat enough to become fatally poisoned."

"Sudan grass can be dangerous in certain soil and weather conditions. If we should get early hard frosts three will be danger of poisoning from corn, sorghum, acorns and thornapples. Most of such poisoning is from Prussic acid, which works so fast that the only way to check it is to inject a counteracting substance directly into the animal's bloodstream."

"Prevention and treatment of plant poisoning call for constant vigilance and correct care, especially during the coming season of drying pastures."

Claywood Farm Barn Burns with 42 Head of Cattle, Oats, Hay

Loss Estimated at \$80,000; Owner George Ylonen Will Re-Build

One of the most costly farm fires in this area for some time was that last Thursday night at the Claywood farm of George Ylonen three miles east and one mile south of the village.

Forty-two head of young purebred Brown Swiss cattle, 7,000 bushels of oats, 4,500 bales of hay, and all of the dairy equipment were destroyed. The loss is estimated at \$80,000. The cause was spontaneous combustion.

The fire had a big start when discovered by the caretaker, William Hynik and wife, and the assistant, George Peterson and wife. The families were retiring when the reflection through the windows revealed that the top of the big 90x40 ft. building was ablaze.

So big a start had the flames obtained that the men were unable to save the stock in the stalls. Most of the animals were from a few days old to a year and a half old. Their frightened cries could be plainly heard.

Five bulls in a pen near the barn were led to safety and more than 30 milk cows and 45 other animals were on pasture and escaped the fire.

The Antioch fire department was called and being unable to save the barn devoted its efforts to saving other buildings which they did nicely. The wind was from the east and the Peterson house across the road was in the greatest danger. So intense was the heat on the building that water thrown on it turned to steam.

Had the wind been from the north it is doubtful whether the other buildings could have been saved.

The milk cows are being cared for at the O'Neill farm nearby.

Mr. Ylonen, a Chicago business man, plans to rebuild the barn into a modern structure, but because of the scarcity of materials he fears he may not get done much more than the cement work this fall. His insurance was not great.

He purchased the farm two years ago and since that time has developed a fine herd of the Brown Swiss breed.

Antioch to Have Third Mail Carrier on Newly Established Rte. Oct. 1

Instructions have been received from the Postoffice Department to establish another rural route from the Antioch postoffice. Postmaster Roy I. Kufalk said. At present there are but two.

The date of the new service is October 1. Many of the patrons will have a new carrier and because the new carrier probably will travel in the opposite direction of the old carrier it will be necessary for such patrons to move their mail boxes to the opposite side of the road. All such patrons will be notified by mail.

It is hoped that while it will cause temporary inconvenience to such patrons that instructions will be fully carried out as most patrons will receive their mail earlier, Kufalk said.

The position of the third mail carrier will be filled by transfer of a regular clerk from the local postoffice.

Beulah Drom Assistant in Physical Education at University of Illinois

Miss Beulah J. Drom, Antioch, has been employed as assistant supervisor of student teaching in physical education at the University of Illinois.

Miss Drom was graduated from the University of Illinois in 1926, received a masters degree from the University of Iowa in 1937, and took additional graduate work at the University of California, Wisconsin and Michigan.

The new supervisor has taught in the Las Vegas, Nev., public schools, in state teachers colleges at Eau Claire and LeCrosse, Wis., and has done graduate teaching at the University of Texas and the University of Wisconsin. She was supervisor of physical education in the public schools, Madison, Wis., from 1941 to 1946, when she went to LaCrosse.

Get Ready For Winter

Summer and early fall are the times for preparing homes for winter—with special attention paid to the elimination of fire hazards.

One of the major causes of home fires is defective heating units, ranging all the way from oil stoves to central heating systems. Even the best of appliances become worn. Flues and chimneys become filled with soot. During the war, it was often impossible to adequately maintain heating plants due to shortages of parts and labor. There are still shortages, but not as severe as in the immediate past. The money spent will pay tremendous dividends in safety and security.

Faulty electric wiring is still a major destroyer of homes. Important repairs should be made by a qualified electrician. Frayed cords should be replaced. Then, when your electrical equipment is subjected to the heaviest use, it will safely carry the load.

Lastly, during the pleasant weather, homeowners should carry on a rigorous campaign to rid their property of junk. Thousands of fires have originated in attics and cellars and closets filled with old clothes, furniture, magazines, etc. Many fires have resulted from improper storage of paint, gasoline and other inflammables. A clean and orderly house offers fire few opportunities.

"Sound Business and Sound Government"

The electric power needs of the United States can be met by private enterprise—and there is no possible economic justification for spending more billions of the taxpayers' money for socialized power projects.

As an example of that, a proposal made some time ago by eleven power companies in the Southwest is in point. These companies have offered to jointly absorb all of the power produced under the flood control and power development projects of the proposed Southwestern Power Administration. They will buy the power at a price based on the Army Engineers' estimates of the cost of the projects. Any additional transmission facilities which are needed will be built by the companies—at their own expense. And, finally, the power will be resold to consumers at rates determined

to be fair by the various state and Federal regulatory authorities.

Commenting on this, the Iron County Register, of Ironton, Missouri, said: "The proposed program... is basically sound economics, sound business and sound government. It will greatly accelerate the benefits possible through river development; it will insure practical flood control; it will save millions of dollars in tax funds; it will insure maximum return on the government's investment in the project and it will benefit all, not just a few, of the people in the region, by reducing energy costs and keeping taxes down... If the Federal government disregards this highly beneficial proposal, then the people will have their answer that government has embarked upon its campaign of socializing America regardless of cost, consequences, and individual and collective liberty."

It will be the duty of the next Congress to consider the proposal, and to establish a precedent of the widest importance. What private enterprise is offering to do in the Southwest can be done in every section of the country where the government has power dams. It is proof that the energies and resources of a free nation can save us from the blight of socialism.

Political Medicine

It has been said that proposals for all-inclusive government health insurance, to be financed by another payroll tax, are not intended to socialize the practice of medicine. It is true that the word "socialization" is never used in the text of such bills. But the very scope of the proposals would make eventual socialization inevitable.

First of all, the tax would produce from \$4,000,000,000 to \$6,000,000,000 a year—and that would be a juicy plum indeed. An enormous bureaucracy would have to be created to administer it. Control would be vested in Washington officeholders, who would write the rules and establish the procedures. That kind of concentration of authority is always a prelude to socialism.

Secondly, the bureaucrats, most of them laymen, would by their spending power alone largely dominate doctors, hospitals and everyone and everything connected with the practice of medicine. A doctor who didn't play ball with the politicians would risk a loss of revenue. Promotion would largely depend upon political favor. And the standards of medical care would suffer tremendously.

Regimentation is but the forerunner of socialism or communism. Once the doctor became enmeshed in the endless red tape of government, the next logical development would be to place him on the public payroll. Then we would have political medicine—at the expense of medical progress and the public health.

Mr. and Mrs. Don Summers are receiving congratulations on the birth of their second child, a daughter, named Susan Nell, at Condell Memorial hospital at Libertyville on Tuesday last week, Sept. 2. Mrs. Summers' mother, who lives in Tennessee is at the Summers home caring for the little boy.

Mrs. Frances Gilliland, who has been visiting her daughter, Mrs. Raymond Hussey for the past month, left last Thursday to visit relatives in Ohio before going on to her home in DeLand, Fla.

Mr. and Mrs. Richard Whitaker left last week to visit Mr. Whitaker's mother and sisters at Wrentham, Mass., for a month.

Mrs. Dan Boyer spent Monday in Chicago.

Mrs. Clifton Bray visited her daughter, Mrs. Kenneth McNamara in Grayslake last Friday.

New Choir Director

Announcement was made this week by Rev. Tuttle, pastor of the Antioch Methodist Church, that Mr. Charles B. Watson will be the new director of the church choir. Mr. Watson was for twenty-five years director of the North Shore Methodist church choir in Glencoe. He was also director of a 30-voice men's chorus at the Glencoe Masonic lodge. Previous to that time, Mr. Watson directed the Broadway Methodist church choir in Chicago for a period of five years and the Bowen Methodist choir for a period of five years.

He has recently moved to the Chain O' Lakes Region.

The first rehearsal of the choir will take place next Wednesday, Sept. 18, at the church, and it is hoped that the robed choir will sing on the following Sunday.

...

Mrs. John L. Horan is attending the department board meeting of the Legion Auxiliary in Chicago at the Sherman hotel, today and Friday.

...

A. L. Swenson underwent a major operation at Downey Veterans hospital, Downey, Ill., Thursday. Reports are that he is improving.

Announcement

I want to thank all my friends and neighbors for their aid at the time and during my illness and for their many cards and gifts and especially the Rescue Squad for their prompt response at the time I was taken sick.

Farm Bureau Organizer Was Former President

C. W. Wray, Wadsworth, recently has been employed as organization director for the Lake County Farm Bureau. The rapid increase in membership of the Lake County Farm Bureau made it necessary to have a man to assist with the organization problems of county organization.

Mr. Wray will spend part time contacting Farm Bureau members and explaining the various services of the organization. He is at present serving on the Lake County Board of Review, and devoting much of his time to this work.

The Organization director needs no introduction to Lake County farmers, having spent many years operating a dairy farm just south of Grayslake. Mr. Wray is well known in Purebred Holstein Dairy Cattle circle having

Girl Scout Leaders Are Invited to Conference At Mundelein Tuesday

Antioch Girl Scout leaders and those at Lake Villa have been invited to a leaders' conference at the Mundelein village hall next Tuesday, and on Sept. 23 and 30.

The conference is being sponsored by the Mundelein Girl Scout Council comprising Grayslake, Round Lake, Long Lake, Sylva Lake, Diamond Lake and Mundelein.

An outline of the program to be presented follows:

- History and background of Girl Scouting.
- Scout songs and games.
- Demonstration of ceremonies.
- Demonstration of basic tenderfoot work, second class scouting, badge

work, senior program and brownie program.

Practical mechanics and ideas for activities in each of the ten fields of interest.

Round table discussions of leaders' problems.

Professional Staff members as well as volunteer trainers will contribute to the instruction and training credit will be given to those participating.

All those attending should bring their nose-bag lunches; beverage will be served. Also please bring notebooks, Girl Scout handbooks and any

exhibit material to be shared with the group.

Romeo, Lost Love Bird, of Rock Lake Woman Is Found in Unusual Place

"Romeo, Romeo, where art thou Romeo?"

But the calls for Romeo, pet love bird of Mrs. Johaneson of Rock Lake, Wis., went unheeded one day last week.

Romeo of Shakespearean fame left Juliet and went home before dawn broke, but Mrs. Johaneson's Romeo did not return to his cage although she called for the bird far into the night.

The next morning the Rock Lake woman started to get breakfast and in doing so lifted the lid to the sugar bowl.

Out flew Romeo.

"You needn't insert that lost advertisement," phoned Mrs. Johaneson

son to the Antioch News. "We've found Romeo."

Romeo's mate, Juliet may not be as sweet as the sugar, but Romeo seems perfectly content now to stay by her side in the cage.

While Mrs. Johaneson searched for the bird, calling "Romeo" "Romeo", a man passing by asked her if she had lost her little boy.

"I've lost a bird," said Mrs. Johaneson.

"Aw hell," said the man in disgust.

120 acre estate on Voltz Lake, 3 miles northeast of Antioch, Ill., will be sold at

PUBLIC AUCTION

On the Premises

SATURDAY, SEPTEMBER 27, AT 1:00 P. M.

This is the ideal estate for some retired professional or business man. 120 acres in all, comprising the east half of Voltz Lake, with approximately 34 miles of lake frontage. 40 acres of choice timber land running to the lake, the balance gently rolling, fronting lake, and in a high state of cultivation. The main residence, strictly modern, with south and east exposures, has 14 rooms with 4 baths and powder room. Living room 20x30 canvas painted and stenciled. Dining room 18x22 with French doors. All fully carpeted. 9 bedrooms. Large modern kitchen. 2 fireplaces. Walls, ceiling and roof fully insulated. Full basement with steel beams, automatic heat thermostatic control. Recreation room with shower and toilet. All plumbing fixtures modern and home recently decorated thruout. Completely furnished in the most attractive and impressive manner. Furniture will be included or reserved, whichever purchaser desires. Caretakers home also fronting on lake has 6 rooms with bath, furnace heat, large porch. These 2 homes are ready for immediate possession. There is also a new silo and other small buildings.

METHOD OF SALE

This beautiful estate has been divided into 10 parcels consisting of the main residence with suitable acreage on lake, caretakers home, and 8 other parcels all fronting on Voltz Lake ranging in area from 5 to 20 acres, in cluding timber land. It will first be offered in individual parcels, then as a whole, to determine the highest bid or bids obtainable. Take advantage or this rare opportunity to buy choice acreage on a lake so close.

DEVELOPERS OR BUILDERS

Great possibilities lie in the development of this estate as an exclusive and high class residential area. Comprising the entire east half of Voltz Lake, it is bounded on East by Lake Shangri-La with 154 private homes, on North by Our Country Club golf course, and Benedictine Fathers Seminary is on the South. It is ideally adapted to use as a Country Club, a Retreat or Seminary, or anything of an institutional or religious nature.

DIRECTIONS

Take U. S. 45 to one mile North of the Illinois State Line, then turn west on Route V, 2 miles to the Estate on Voltz Lake, or just north out of Antioch, Ill., and follow auction signs.

Here's how **big** your enjoyment will be—
and here's how **small** your cost!

**BIG CAR QUALITY
AT LOWEST COST**

You'll enjoy the Big-Car luxury of this smart, streamlined, style-leading Body by Fisher—with genuine No Draft ventilation, extra-comfortable seats, and every facility for your comfort and safety—for Fisher Bodies are the finest bodies, and they're found only on Chevrolet and higher-priced cars.

You'll delight in the Big-Car comfort and road-steadiness of the United Knee-Action Gliding Ride—giving that smooth, safe, perfectly balanced feeling which makes it seem that car and road are one—another advantage found only in Chevrolet and higher-priced cars.

You'll thrill to the Big-Car performance of a lively, powerful, dependable Chevrolet Valve-in-Head Thrift-Master Engine—the type of engine found only in Chevrolet and higher-priced cars.

Be sure your car is ready for winter! During September and October Chevrolet dealers are making a special point of fall service to demonstrate the excellence of our service facilities and quality workmanship. So bring your car in soon and let us get it ready for the bad weather days ahead.

Many Farmers to Attend
Agriculture-Industry
Conference on Sept. 15

More than a hundred Lake County farmers, together with several from McHenry and Cook Counties are expected to attend the eighteenth Regional Agriculture-Industry Conference at North Chicago, according to farm adviser, Ray T. Nicholas.

The conference will begin with a dinner at 6:30 p. m. D. S. T., Monday, Sept. 15, in the Abbott Laboratories Auditorium, North Chicago. Farmers who desire to purchase tickets for the conference dinner may obtain them from the Lake County Farm Bureau office at Grayslake. If inconvenient to call at the office, reservations will be accepted by mail or telephone until 10 a. m. Monday, Sept. 15.

The conference is sponsored by the Agriculture-Industry Relations Committee of the Illinois State Chamber
